

Quality Policy

We are committed for satisfaction of every interested party in line with; Customer's Technical requirements, Quality expectations, Statutory & Regulatory requirements & On time delivery at optimum cost.

We will strive to improve & standardize our processes by active involvement & training of all team members whenever required for "Manufacture of various types of Labels, Die cuts, Sliced rolls & Sub-assemblies made of Adhesive tape, Fabric & Films" to ensure safe environment and safeguarding interest of all stakeholders.

We will review our quality management system and continually improve its effectiveness to achieve our business goals.
